YOUTH EVENT

BOLD AS LIONS

This Christian inspirational heavy pop duo is husband and wife Sean and Karli Quigley. As independent artists, their latest release is "Peace in the Chaos". Their sophomore album is edgy but hopeful, upbeat but emotional. They take you through a series of stories about finding peace in the middle of this chaos we call life inspired by true events and hard things they've faced over the past three years. BOLD AS LIONS has never turned away from talking about the hard stuff but rather, they've turned those challenges into an opportunity to speak life into people on their "Hope Dealer tour." Passionate about seeing others realize the potential that God has created in each of us, the two spend their time on the road bringing their music and message across the nation.

For most of his life, Abdu was a proud Muslim who studied the Qur'an and Islam. After a nine year investigation into the historical, philosophical, and scientific underpinnings of the major world religions and views, Abdu discovered that the historic Christian faith can answer the questions of the mind and the longings of the heart. Abdu has spoken to diverse international audiences and has participated in debates and dialogues across the globe. He has appeared as a guest on numerous radio and television programs all over the world and he hosts the upcoming new RZIM podcast, *The Defense Rests*. Abdu holds a BA in Psychology from the University of Michigan and earned his *Juris Doctor* from the University of Michigan Law School. As an attorney, Abdu was named several times in *Best Lawyers in America* and *Michigan Super Lawyer*.

Nik Ripken

Nik and his wife Ruth are mission veterans of 34 years with the International Mission Board, SBC, having served in Malawi, South Africa, Kenya, Somalia, Germany, Ethiopia and the Middle East. Nik has a BA in Religion and History and Masters and a Doctorate of Ministry from Southern Seminary. They currently serve as Global Missiologists. Nik and Ruth are the parents of three sons, two amazing daughter-in-loves and a fantastic grandson.

Jaime Saint

Jaime is grandson to Christian martyr Nate Saint, a missionary pilot who was speared to death in 1956 by the Waodani Indian tribe in the Amazon jungle of Ecuador, South America. Jaime has been serving full time for the last 8 years at I-TEC (Indigenous People's Technology and Education Center), an organization started by Jaime's father, Steve, with the vision to equip indigenous Christ-followers in frontier areas with tools and training to share Christ's love in their communities. Jaime and his wife, Jessica, have 6 daughters and are not only investing themselves internationally, but locally at their home church in Ocala, FL.

SEMINARS

SATURDAY 11:45 AM - SEMINARS 1

THEATRE 11:45 AM

Christian Response to Human Trafficking

Joy Smith, B.Ed M.Ed OM (*The Joy Smith Foundation Inc.; Former Member of Parliament*)

Human trafficking happens in Canada and in Manitoba every single day. Christian young people are not immune to it happening to them. It happens so fast without the victim or the target of the trafficker even being aware of what is happening. Find out how you can prevent this from happening to your family.

CHAPEL 11:45 AM

Why Media Works in the Spread of the Gospel

Nicki Coles, Communications Manager (*TWR Canada*)

The spread of the gospel is the commission placed on every believer by Jesus in Matthew 28:18-20. At TWR Canada, our aim is to reach the world for Christ using media. With a focus of evangelism and discipleship, we are working on air, online and on the ground to share the hope of Jesus with the nations. This seminar will be a time of hearing stories of people from Cuba to India through Africa and the Persian speaking world who have found this hope. Working in 70 countries and over 50 languages with broader partnerships reaching 190 countries and over 230 languages, the spread of the gospel is the goal and media is the means. Come and learn more about what God is doing around the world through media.

YOUTH ROOM 11:45 AM

Latest Trends in Mission in, to, and from Europe

Dieter Trefz (*Kontaktmission International - Kontakt Canada Ministry Association*).

Dieter Trefz will share his heart and passion for European and interconnected world missions, speaking from years of international leadership and local experience. Questions addressed will include: What's the latest news about what is working now, Europe and worldwide? What is changing in world and European missions? Where do we see strong growth? What should we expect next? and, What are the greatest needs Manitoba Christians and churches can help meet? (The presenter will speak in German with English translation.)

SATURDAY 1:30 PM - SEMINARS 2

THEATRE 1:30 PM

Each one Reach one.

Ryan Rempel/Rob Wiebe (*Give the Word*)

Exploring and equipping believers to go out and share the gospel. We will be sharing stories of how people share their faith along with stories of people who have had the gospel shared with them, as nearly 300,000 Bibles have gone out across Canada over the last 7 years. What has God gifted you with, that you can use to share the gospel?

CHAPEL 1:30 PM

Global Missions: Burden or Benefit to the Local Church?

Panel discussion with **Jacob Ginter** (*World Team*) moderating, **Richard Salas** (*World Team*), **Mike Reimer** (*Avant*), **Tim Noble**, (*OMF International*)

Can Missions Engagement truly enrich your local church? Many see Missions as a one-way deal: send a pile of money and some of your best people to fulfill your part in the Great Commission. There are other options. Among them, robust three-way partnerships between your church, a mission organization and cross-cultural missionaries equips the local church for worldwide engagement as well as local outreach and spiritual maturity. Canada's multi-ethnic mosaic, combined with today's changing culture, provides unique and exciting opportunities to explore together. Join our dialogue to begin experiencing the full benefits of Missions Engagement.

YOUTH ROOM 1:30 PM

Reaching the Unreached

Janelle Keller

(*Director – The Foundation for His Ministry - MEA*)

Empowering Nationals to reach the unreached. Hear how we have been able to plant churches among the indigenous people who live in the mountains of Oaxaca, Mexico by empowering and training nationals to do the work.

SEMINARS

SATURDAY 4:45 PM - SEMINARS 3

THEATRE 4:45 PM

How Should Christians Respond to Persecution?

Greg Musselman, Minister at Large
(*The Voice of the Martyrs Canada*)

A basic question often asked is how Christians should respond to persecution. Biblically, there seem to be three basic responses that the Lord allows when His people are persecuted. We'll look at these responses and hear stories of followers of Jesus who decided not to leave a place of hostility. We'll also look at some of the reasons Christians are persecuted for their faith.

CHAPEL 4:45 PM

Serving in Contexts of Higher Risks

Heidi, Harold & Leila (*Wycliffe*)

As we respond to Christ's command, "Go into all the world", and as we seek to reach each remaining unreached ethnic group, we will inevitably need to consider serving in contexts of higher risks. Our discussions will include the theology of risk, as we observe the precedent of the early church and as we grapple with hard questions such as of bringing families into dangerous situations. How can we arrive at a peaceful, Spirit-led, balanced position of trust and rest as we serve in turbulent parts of the world? How can we mitigate risks and remain accountable?

YOUTH ROOM 4:45 PM

Seeing our Neighbours as God sees them.

Fadi Sharaiha, Executive Director (*SAT-7 Canada*)

SAT-7 has the vision to see a growing Church in the Middle East and North Africa, confident in Christian faith and witness, serving the community and contributing to the good of society and culture. It has a mission to provide the churches and Christians of the Middle East and North Africa an opportunity to witness to Jesus Christ through inspirational, informative and educational television services. This seminar will help you: [1] Learn to love our non-Christian neighbours; [2] Understand Islam and give a good background on the culture of MENA; [3] Reach out to your friends coming from the Middle East and North Africa Region.

Sneak Peek at Speakers for Missionfest 2021...

Dr. Dick Brogden

Born and raised in Kenya. Dick and Jennifer Brogden have served among Muslims for the last two and a half decades; Mauritania (1992), Kenya (1993-1995), Sudan (1996-2011), Egypt and the Arab World (2012 – 2018), and The Arabian Peninsula (2019 -). As a child, he developed a faith that works and a passion for sharing his faith with people who are without — the poor; the oppressed; the hopeless; the lost. That faith *is* his life, and it drove him to found the Live Dead movement, reflecting the deepest level of spiritual commitment. "We are to die to self and live through Christ," said Brogden. "From there we get His passion for the world, His strength, His vision and our marching orders." Live Dead is an initiative that focuses on planting churches among unreached people groups through multi-national teams. More than 40 percent of the world doesn't have access to the gospel, according to the Live Dead research. Dick is the author of "Loving Muslims", "The Live Dead Joy", "This Gospel", "Abiding in Jesus", "Abiding Mission" and the editor of "The Live Dead Journal", "The Live Dead Journey" and "This Gospel" (all these books are available on Amazon.com). Dick has his PhD in intercultural studies. Dick and Jennifer have two sons, Luke and Zack.

Dr. David and Laurie Vanderpool

They started doing volunteer medical work 22 years ago, providing free health care in developing countries that suffered from either natural or man-made disasters. They ran temporary medical clinics in war-torn and impoverished countries like Ghana, Mozambique, and Honduras. In 2010, when an earthquake devastated Haiti, Dr. Vanderpool was a first responder to provide care to thousands of patients affected by the disaster. After spending 12 days seeing patients with horrific injuries, performing countless operations, and witnessing the desperate need of Haiti, the Vanderpools felt called to help the Haitian people and provide a lasting impact in this country. In May 2013, Dr. Vanderpool and Laurie sold their home, their possessions, and Dr. Vanderpool's private medical practice and officially moved to Thomazeau, Haiti on a full-time basis. Their charity, *LiveBeyond* purchased 63 acres in Thomazeau, Haiti, a region outside of Port-au-Prince where Dr. and Mrs. Vanderpool now live and work. The LiveBeyond compound consists of the Hamilton Guest House, a demonstration farm, a school, and a medical clinic.

EvangelismSHIFT

You have been Sent!

In 2019 John North talked about being sent into the world. "As the father has sent me, even so I am sending you." John 20:21. This is the basis of EvangelismSHIFT.

EvangelismSHIFT provides the framework churches need to develop their congregations for witness. If we hope to reach our nation for Christ, *we must begin developing believers into effective witnesses in their daily lives and relationships.*

Ambassadors for Christ Canada is uniquely positioned to respond to this need. Through a two-year relationship with your church EvangelismSHIFT will provide the framework your church needs to develop your congregation for witness. In this process:

1. Individuals will be trained and equipped to be effective witnesses for Jesus in the normal, everyday application of their lives.
2. Your church will become part of a movement of churches across the world, whose people have a culture of living as witnesses for Jesus.

"Our church will never be the same again."

Pastor Jong at Banga Evangelical Church in the Philippines

In 2020 EvangelismSHIFT is launching in Canada

We pray that you will not only catch a vision for what God can do in your church, but also for what He can do across Canada as congregations develop a culture of evangelism.
